HUGE, HILARIOUS, HOLIDAY SPECIAL!

Welcome to my hilarious Holiday Special, readers! I wanted to make sure critic Mary Lighthouse didn't complain about this comic, so I've been really friendly to her! In fact, I buried her in the sand an hour ago... if only I could remember where! Heh, heh, heh!

I HAVEN'T ALWAYS BEEN A CARTOONIST. AT THE AGE OF TWELVE I WAS A BIG GAME HUNTER. AT FIFTEEN I BECAME FANTASTICALLY RICH WHEN AN ALIEN FROM PLANET ZUMP GAVE ME ONE MILLION POUNDS, SO I TRAVELLED TO AMERICA WHERE I WAS MADE PRESIDENT. WHEN I GOT FED UP WITH BEING PRESIDENT I WENT TO HOLLYWOOD, WHERE I BECAME A MOVIE MAGNATE. I WAS THE MAN WHO TAUGHT ARNOLD SCHWARZENEGGER TO SPELL HIS NAME CORRECTLY. EVENTUALLY I WAS BORED WITH BEING RICH AND FAMOUS SO I BECAME A CARTOONIST.

What's wrong with you then, pal?

Are you leading a healthy life? Find out with our special guide, printed on recycled, wholemeal, high-fibre, brown rice paper.

1. Which of the following statements is true?

- a) A healthy breakfast consists of black pudding, strawberry blanchmange, duvets stuffed with chocolate chip cookies, whole live horses dipped in treacle and rolled in hundreds and thousands, and two dozen marshmallow pizzas; or
- b) Oh no it doesn't.

Answer: b — duvets aren't edible

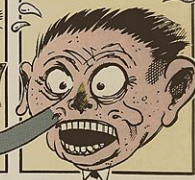

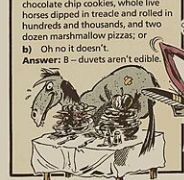

2. Which is the odd one out:

- Exercise bicycle, rowing machine, the rack, Tatty's Frame Game?

Answer: None of them. They are all forms of torture.

3. Is your nose:

- a) enormous and blue?
- b) tiny and green?
- c) normal size, normal colour, but on the wrong side of your head?

4. Are you covered ...

- a) by the NHS?
- b) by private health insurance?
- c) in spots?

5. When you run up 14 flights of stairs do you ...

- a) wheeze and cough?
- b) throw up?
- c) wheeze, cough, throw up, faint, and roll all the way down again?

6. Which of the following symptoms do you suffer from?

- Ugly growths on your bottom? Sharp pains in your head? Mysterious aches in your limbs? Swollen ankles? Shrunken ankles? No ankles at all? Something nasty you'd rather not talk about? Oh go on, you can tell me, I'm a doctor ...

Check your diagnosis here

Ignore all the above. It doesn't really matter what answers you gave, the mere fact that you bothered to do the quiz at all proves that you are an incurable hypochondriac, and probably have less than a week to live. Goodbye and thank you for reading ONK.

ARE YOU A PLONKER?

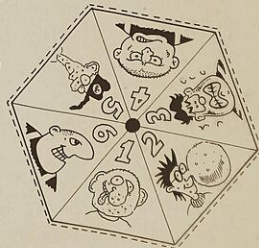

Not sure, huh? Well, find out with this amazing **PLONKER DETECTOR!** The Plonker Detector is a six-sided 'Spinner' (The kind of thing that can be used instead of a die if you stick a pencil through the middle). The spinner is divided into six sections numbered 1 to 6.

Just stick the **PLONKER DETECTOR** onto the thin card, shove a pencil through the middle, and spin it. Then check your score with the table below.

SCORE:
1-6: if you've gone to all this trouble to see whether you're a plonker or not, then you certainly are one! (Never mind—you can use the spinner instead of a die when playing ludo or any other feeble board-game you like!)

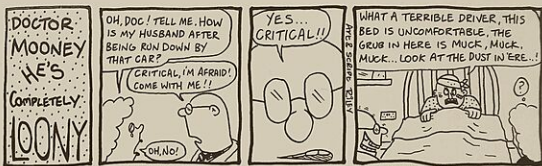

No Score: Either you're too thick to work out the instructions for making the **PLONKER**

DETECTOR, or you're too lazy to bother! Still, at least you're not a plonker!

ARE YOU ROMANTIC?

Find out with our swoony quiz! By Matilda Coward.

- If you have a secret fancy for someone, what do you do about it?
 - Send him or her an anonymous gift - some choccs, perhaps, or an Oink! sticker.
 - Take 2 aspirin and feel better in the morning.
 - Send him or her a self-portrait modelled in our wax and wrapped in a spare stomach-lining.
- How would you describe your ideal sweetheart?
 - Beautiful, talented, funny and kind.
 - Rich.
 - Sticky, gungy, rubbery, flobbery and pulsating.
- What do you call your loved one?
 - My little fluffy-trotters.
 - "You".
 - Giblet-features.

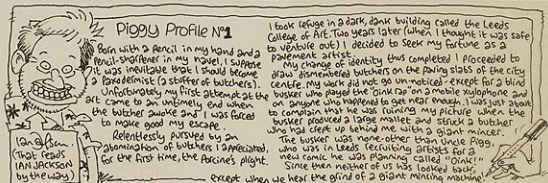

- What do you give your love on Valentine's Day?
 - Flowers, a card, after dinner mints and a big wet snog.
 - A great opportunity to buy you an expensive meal.
 - A pretty little balloon, decorated with a Valentine heart, and filled with noxious gasses from your botty.
- Who won the World Cup in 1966?
 - Who knows? Who cares? You only have eyes for her (or him). Sigh!
 - No idea. You didn't have a bet on the game.
 - Um... pig's innards? Sheep's eyeballs? Er - er - lights, livers and lungs??

How did you score?

Mostly 'A's: Forget it. You're not romantic, just slushy, yucky and/orrible!

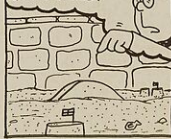

Mostly 'B's: Forget it. You're about as romantic as a bank manager.

Mostly 'C's: You are Burp (the smelly alien) - Forget it!

timperley bike race

hello readers..... i had planned a fantastic bike race round timperley today.... and then my mum said i had got to go and do all the shopping. ("i'll give you bike race" she said)

well...no way was i going to cancel the ace bike race...so i made the shopping part of it and killed two of them birds with one great big fantastic stone...and it was even more very very exciting to race in.

infact....i've made a cut-out game so you can play it to see just how exciting..... "very very exciting" actually is! thank you.

here's the very very simple rules

first of all choose which cyclist you want to be. (remember that puppets are not very good bike riders so i am sure to win).

then place all the shopping list cards face down and mix them up then all pick a list each.

then place all the cyclists out-side my house on the start square (see the board on page 24 or 25 in the centre of this fantastic summer special)

you will need to pinch a dice out of your monopoly set...and you then take it in turns to land on the shops selling the items on your list.

ie if on your list it says "budgie bell" (1) then when you land on (1) you can cross it off your list.

sometimes you will have a choice of a few shops to buy from ie "sweets" (5)(6)(7)(8) so you only need to land on one of these to cross it off.

if you come to a junction you may choose which way you wish to continue.

you may also choose which direction you wish to move after you have thrown the dice.

the winner is the first player to get back to my house with all the items ticked off the list.

(you can also write out your own lists with more on for a longer game).

cut-out cyclists

stick the cyclists onto card then cut them out and glue the cut sides together and fold out the base as shown here so it will stand up.

← the puppets are not on their bikes properly as i had to tape them on as they are only cardboard.

cut-out shopping lists.

stick this page onto plain card first...then cut-out the shopping list cards.
